Registration

New students are required to enrol at the Registrar's Office and bring with them the documents mentioned in the Letter of Acceptance. The registration materials are available at the International Office. Exchange and visiting students of the University are required to pay the membership fee of the Student Union of University of Tampere (57 € for one semester, 114 € for the whole academic year). On payment of this fee, students receive an official student card. As members of the Student Union, exchange and visiting students are entitled to use the services of the Student Union as well as the student health care services. However, for international exchange and visiting students pursuing a PhD degree at their home universities, the membership fee (24,50 € for one semester and 49 € for the whole academic year for PhD students) is voluntary. PhD students are not entitled to travel discounts or to the student health care services.

Student Tutoring

At the University of Tampere, a student tutor is assigned to every international exchange and visiting student. The tutor is a fellow student who can help new exchange and visiting students e.g. to find their way to their accommodation, plan their study schedule and open a bank account. A student tutor usually meets the arriving student at the railway station or bus station in the Centre of Tampere if she/he has been informed about the arrival a few days in advance. The contact information of the student tutor will be sent to the incoming exchange and visiting students after the application and acceptance process.

Study Guides Published in English

Study-related information in English is published at <http://www.uta.fi/studies/studying/>

The ECTS Study Guide included in the ECTS Survival Guide, gives a general review of the study system at the University of Tampere: <http://www.uta.fi/admissions/newstudents/survivalguide.pdf>

For up-to-date information on courses taught in foreign languages, please see the teaching schedules at <http://www.uta.fi/studies/studying/schedules.html>

The ECTS Curricula Guide contains the course descriptions of such study modules which can be completed in English or in another foreign language. Please note that the Curricula Guide includes course units which are NOT offered as contact teaching (lectures, seminars etc.) during the academic year. <http://www.uta.fi/studies/studying/curricula-guides.html>

Further information for exchange and visiting students on how to plan their studies at UTA is available at <http://www.uta.fi/studies/exchangesstudents/>

Credits and Grading

Finnish credits are ECTS compatible, i.e. one Finnish credit (opintopiste) corresponds to one ECTS credit.

Grading of Exams

A 5-tier grading scale (5-1) is used at the University of Tampere. It is compatible with the ECTS grading scale (A-E). Furthermore, the dichotomy pass/fail (HYV/HYL) is used in course evaluation as such without grading to indicate that the student has fulfilled/not fulfilled the requirements set in the curriculum for the course.

Transcript of Academic Records

The transcripts of the exchange / visiting students will be sent to their home addresses in their home countries after the exchange period.

Student Housing

Finding suitable housing can be difficult especially in the autumn, so students need to be prompt in applying for accommodation. We have placed information on different options on the University website at <http://www.uta.fi/admissions/newstudents/accommodation.html>
